SECTION 01 2300 – ALTERNATES

PART 1 GENERAL

1.01 ALTERNATES:

- A. Each Bidder shall include the cost of all Alternates listed on the Bid Form. A Bidder's failure to include on its Bid Form the cost of an Alternate selected by the Owner and applicable to the Bidder's work may render the bid non-responsive and be grounds for rejection of the bid. Otherwise, the failure to include the cost of an alternate will not be deemed material.
 - 1. An Alternate which results in no net change to the Base Bid should be noted as "N/C".
 - 2. An Alternate which does not apply to the scope of work of a bidder should be noted as "N/A".
- B. At the time of awarding the contract, the Owner will select or reject Alternates as it determines is in its best interest. Owner reserves the right to select, in any order, any or all Alternates, or to reject all Alternates. Accepted Alternates will be identified in Owner-Contractor Agreement.
- C. The Bidder agrees to hold the prices stated for Alternates on the Bid Form for a period of 90 days after the bid opening. Following that 90-day period, during the progress of the Work, the Owner reserves the right to reinstate any Alternate not initially included in the Contract at the price bid by the Contractor provided that such action is taken in sufficient time so as not to delay the progress of the Work or cause the Contractor additional expense.
- D. Coordinate related work and modify or adjust surrounding work as required to ensure that work affected by each accepted Alternate is complete and fully integrated into the project.
- E. Include as part of each Alternate all miscellaneous devices, accessories, appurtenances, and similar items incidental to or required for a complete installation, whether or not mentioned as part of the Alternate.

1.02 SCHEDULE OF ALTERNATES:

- A. Alternate 1: Mechanically Fastened Membrane
 - 1. Base Bid Item: Membrane shall be fully adhered to cover board; refer to Section 07 5000 and Sheet A-101.
 - 2. Alternate Item: Membrane shall be mechanically fastened by induction welding to fastener plates; refer to Section 07 5000.
