

## **ADDENDUM NUMBER ONE – AUGUST 10, 2021**

---

Metropolitan Park District of the Toledo Area  
6101 Fallen Timbers Lane  
Maumee OH 43537

**PROJECT: LUC Metroparks Toledo Miscellaneous Paving,  
Lucas County, Ohio – PID 115024**

**BID DUE DATE: UNCHANGED – FRIDAY, AUGUST 20, 2021, 12 PM LOCAL TIME**

Metroparks of the Toledo Area would like to issue Addendum #1 related to the above indicated project.

The following items to be changed in the bid documents shall hereinafter become part thereof and shall supersede all other specifications wherein there may be a conflict. The contractor shall perform all work in connection with said items or change as required to integrate the change with all related work under this project bid specification in a manner as to maintain the project schedule of and the continuity of quality work.

### **GENERAL:**

#### **Item No. 1: CLARIFICATION**

**Question:** *Listed in your email bid notice, it mentions ODOT LPA DBE Utilization Form to be submitted prior to bid opening. The ODOT LPA Template in the spec book shows this to be an EDGE goal of 5%, thus no DBE Utilization required. Please clarify.*

**Response:** You're correct, please disregard my email bullet point. This project has a 5% EDGE goal, not a DBE goal. No Formstack DBE Utilization Form is required prior to bid opening as there will be no DBE affirmations for ODOT to review for Goal Attainment.

#### **Item No. 2: CLARIFICATION**

**Question:** *The quantities in the sub-summaries don't add up to the General Summary quantity totals for Excavation and Asphalt Concrete Intermediate Course Type 2, (448). Please review and advise.*

**Response:** General Summary Plan Sheet 4/11 contains addition errors for these two items. Please replace General Summary Plan Sheet 4 of 11 with the revised sheet attached herein. Additionally, please replace Project Manual Proposal Pages 15 & 16 with Revised Proposal Pages 15 & 16, attached herein.

## ADDENDUM NUMBER ONE – AUGUST 10, 2021

---

### **Item No. 3: CLARIFICATION**

Question: Under the group "Traffic Control", one Item is specification 642 and the remainder are 643, which is polyester paint. Please clarify.

Response: All 643 Items have been revised to 642 Items. Please replace General Summary Plan Sheet 4 of 11 with the revised sheet attached herein. Additionally, please replace Project Manual Proposal Pages 15 & 16 with Revised Proposal Pages 15 & 16, attached herein.

### **Item No. 4: INFORMATIONAL**

The current project Plan-Holder List is attached herein.

### **Item No. 5: INFORMATIONAL**

Bidder inquiries will not be addressed after 12:00 pm Friday, August 13, 2021 in order to maintain the bid due date of Friday, August 20, 2021, 12 PM Local Time.

### **Attachments:**

- Revised General Summary Plan Sheet 4 of 11
- Revised Project Manual Proposal Pages 15 & 16
- Plan-Holder List
