ADDENDUM No. 2
LUC - STARR AVENUE RECONSTRUCTION AND RESURFACING (PID 117122)

CITY OF OREGON
DEPARTMENT OF PUBLIC SERVICE

BIDS TO BE OPENED: Tuesday, February 3, 2026 at 2:00 P.M.

Plan holders of the City of Oregon's Starr Avenue Reconstruction and Resurfacing Project (PID 117122) are hereby notified of the following amendments to the Contract Documents. The following additions, alterations, deletions and/or clarifications shall be part of the Base Bid as much as if they were originally included in the Contract Documents. This Addendum No. 2 is hereby made a part of the Contract Documents.

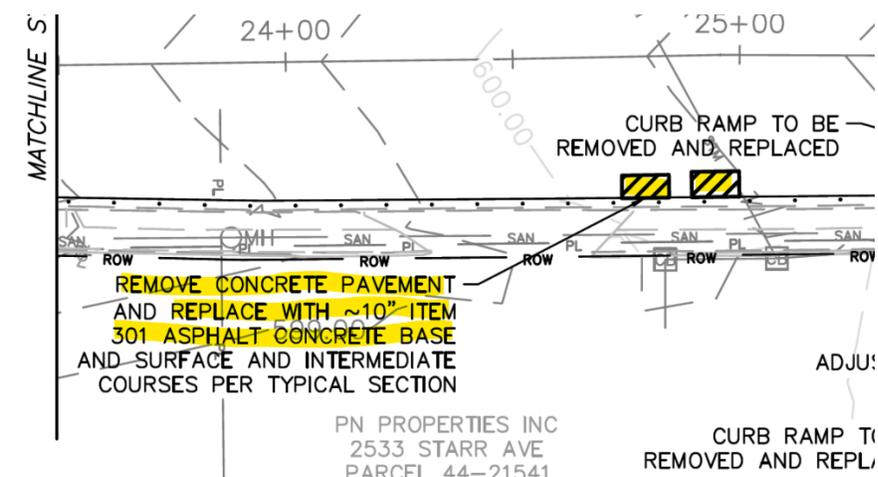

ANSWERS TO SUBMITTED QUESTIONS

- **For the 4 CY of spot repairs set up per plan there is a corresponding pavement removed item for the concrete patches while the 50 CY of contingency spot repairs would include existing asphalt removals. As there are 2 differing work scopes on the same item would you consider separating these items or moving the 4 CY to the 301 Base item as it is placement only?**

For clarification and simplification, the two concrete patches labeled on Sheet 12 of the plans as "Remove Concrete Pavement and Replace with ~10" Item 301 Asphalt Concrete Base..." shall be paid according to the following pay reference items and will be considered full payment.

Pay Ref 2	202	Pavement Removed, APP
Pay Ref 31	301	Bituminous Aggregate Base

The 4 CY of **Pay Ref 32 – 301 Bituminous Aggregate Base, Spot Repairs**, noted on Sheet 7 of the plans, shall be considered as additional contingency quantity, in addition to the original 50 CY of contingency for this item.

***** END OF ADDENDUM NO. 2 *****
