

## Blueprint/Project Clamps

A convenient way to store and present large format documents. For use with all Alvin®, Safco®, and Mayline® vertical file systems. Sold by the box of six. **Limited Lifetime Warranty.**

- Made of professional grade extruded aluminum
- Each clamp securely holds up to 100 prints or 20 lbs.
- Jaws open wide for easy loading
- Solid steel wing nuts and T-bolts are interchangeable with PlanHold™, Safco®, and Mayline® clamps
- Built-in stops on wing nuts prevent them from accidentally falling off
- Each clamp has a plastic label holder on top side for easy viewing with blank label stock included
